20 years Qi-Mag[®] – Welcome with thanks

Wherever you go remember your source!

Within the framework of a flowing energy balance it is especially important to us to show our gratitude to all the busy recommenders of our Qi-Mag courses and seminars. That's why in the year 2010 we will be granting everyone who recommends a new seminar participant **a Thanks in the sum of 20% of the seminar costs, which the new participant takes part in.**

Of-course you can redeem one or more of your 20% thank-you-vouchers at any Qi-Mag seminar within two years of its issue date.

You are also very welcome to give these vouchers to someone else whom you wish to grant a special pleasure. We hope you understand that we cannot redeem a 20% voucher and a 10% welcome voucher at the same time.

Welcome advantage for your friends:

Of-course the new participant who has been recommended also receives a welcome-thanks in the form of a **10% discount of the seminar costs.**

To receive this 10% welcome discount you simply have to give the full name and address of the person recommending you when you register for the seminar/course. A new participant is someone who is totally new or someone who has not taken part in a seminar by Tai Chi Master Julie Lim or Grand Master Dr. Jes T. Y. Lim in the past 5 years.

Groups are very welcome to us in 2010

We are always very happy about the lively encouragement of people to register in groups. Thus we will be granting every group of at least 8 people also a reduction of **10% for each person.**

This requires that one person makes a registration for the entire group at the same time; the person doing the registration will receive a one-off discount of 20% of the seminar costs for his or her effort.

Weitere Informationen dazu erhalten Sie gerne unter info@qi-mag.com

Please understand that these vouchers or rules cannot be redeemed or applied on the planned 2010 China-Trip or the Tao Geomancy 3 seminar. We reserve the right to stop these special offers if we notice the system is being manipulated. Vouchers lose their validity two years after their issue date. The vouchers can be transferred to another person; this does not prolong their validity. In the case of possible seminar cancellations from our side we reserve the right to redeem vouchers in the form of products.

Welcome with thanks
